

D LINE TORNADO

Impeccably clean, clear water

COMBINES PRECISION TECHNOLOGY
WITH A THOROUGH CLEAN

*Excellence
inside!*

Excellence, Intelligence, Innovation

Compact, hydrodynamic and energy efficient

With its very low lines, compact design, BWT Tornado robotic cleaners easily maneuver through tight spaces. Its hydrodynamic design reduces drag so less power is needed to drive it through the water. A real energy saving.

Optimised scrubbing action

D600 robotic cleaner features 4 brushes made of PVA specially formulated to be compatible with all pool surface finishes. Along with the additional vibrating PVC brush, they provide impeccable cleaning of your pool.

Fast, intelligent cleaning

BWT robots move quickly and clean fast. They feature the smart navigation system. Comprised of a gyroscope navigation system that computes the cleaning path. The cleaning cycle is shorter and the entire surface to be cleaned is covered. The pool floor, walls and water line are perfectly clean with a minimum number of passes.

Clever handle design

As the robot climbs the pool wall, settling into a diagonal position to cause the robot to take an alternate route as it descends. Coverage of the walls is optimized and the cleaning time is reduced.

Technical specifications

Pool size	For pools up to 12 m (any shape and surface finish)	Power consumption	< 150 Watt
Cleaning type	Floor, walls and waterline	Platform	Dual drive motors equipped with Breezer Technology
Duration of the cleaning cycle	1.5, 2 or 2.5 hours	Suction flow rate	19m³ / h
Remote control	Smartphone App	Cable length	18m Premium grey
Filter type	4D, hyperfine microfibre transparent filter lid	Anti-tangle swivel	Yes
Filter access	Easy top access	Adjustable intake valves	Yes, allows modulation of the suction power
Full filter indicator	Yes	Compatible with an external timer	Wifi compatible
Brush type	4 PVA scrubbing wheels	Under water led lighting	Pink
Additional brush	Vibrating brush	Dimensions (L x W x H)	44 x 39.1 x 25.5 cm
Navigation system	Smart Navigation	Weight	11 kg
Gyroscope	Yes	Storage accessory	Premium Caddy
Power supply	Bluetooth LED and full filter indicator	Warranty	2 years + 1 year limited*
